
SOUTHERNER '74

It all started ...

in September, 1973. It continued through winter quarter and ended with the last day of spring quarter. It spread across campus as football season brought pep rallies, a mascot, a new stadium, and a winning team. The winter brought concerts, Christmas, elections, and black nights harboring a comet. A new wall was built between the Senate and the administration.

But spring brought it all to a head — the new Union, stadium and a renovated Southern Hall; streakers who came in the night like bolts of lightning; the impeachment of a President (and possibly two); and the ever-present hope of graduation. This was the Spirit of '73.

1973-74: A year of gradual but progressive change at USM. A change which meant halls of high education and intelligence— not only in English, Biology, or P.E. but one in life. It brought a new consciousness of the importance of the individual— not just a student number.

This was 1973-74. A year of growing, changing, and remembering that the good times outweighed the bad.

1973-74: A year of our lives spent here at USM. A year which meant studying, close friends, new experiences, and doing those things which meant the most to us.

"For in our hearts, the dreams are still the same."

With the start of the football season, USM had a new team name clearly established—the Golden Eagles. 1973-74 was called the "Year of the Golden Eagle". With this, came a mascot for the team, the pep rallies, and the games and also a new spirit from the students. With a winning season in football, tremendous progress in basketball, and the discovery that Southern does have a baseball team, the students at USM discovered that it really was the year of the Golden Eagle.

The 1973 Golden Eagles football team proudly boasted a 6-4-1 record after last season's disappointments. Scoring 227 total points against the opponents 156 in eleven games, the offensive line began to show its improvements as the defensive line against the rush ranked eleventh in the nation statistically. In fact, USM's defense finished as the nation's Number One team against the rush for one game (USM vs. Chattanooga). With three disheartening losses behind them, the Eagles began to bounce back. After their last loss of the season to Richmond, they went on to play Mississippi State, nationally ranked at that time. A caravan of fans and supporters journeyed to the Cow Country to see USM hold the Bulldogs to a 10-10 tie. What a moral victory for Southern that was! The Eagles, now going strong, went on to finish the season posting four consecutive victories. The progress of the team encouraged coaches, administrators, and legislators as USM prepared to build the new stadium in hopes that one day highly ranked teams would soon play in Hattiesburg.

While opponents completed 118 out of 232 passes (51%), USM completed 140 out of 251 (56%). With 62 penalties for 559 yards and 20 lost fumbles, it's not hard to see why the Eagles lost a few games which could have been won.

But within the team there were individuals who stood out. There was Rick Palmer, who averaged 38.5 yards in his punting. There was Doyle Orange who scored five TD's—not as many as last year but more than any other player on the team. There was Jeff Bower who proved that being only a sophomore was no hindrance to becoming a top-notched quarterback. There were also Eugene Bird, tackling and knocking down those big bruisers, and Harvey McGee who played in the post-season Blue-Gray game in Mobile.

And last, there was Fred—Bubba Cook, as known to his teammates. Big Fred again intimidated coaches and opposing blockers as well as destroying quarterbacks game after game. Fred finished the season with four All-Star classics and was named to the AP's Third Team All-American squad at the defensive end post.

Despite a slow start and early injuries, the first full season for the Golden Eagles football team showed that football at USM is on the move. The 1974-75 season will be played away from home, but that's no reason for a bad season. With the building of a new stadium and a very promising team, this could lead to another "Year of the Golden Eagle."

FOOTBALL

"Enthusiastic" was the word Coach Bear Underwood used to describe his large contingent of Golden Eagle spring football players. The Big Gold lost eleven players to graduation—the entire backfield went to the Pros. In fact, the bright spot as far as returning players will be Jeff Bower as quarterback. Carlos Montgomery and Charles Clancy will be given the chance to become the running backs.

The Veer offense—an off-spring of the Wishbone—which makes necessary quite a bit of ball-handling and quick thinking will be the strategy in Underwood's prospective team. The defense will stay with the same strategy as the '73 season with the only difference being in personnel.

Due to the construction of the new stadium, the young Eagles will not be given the luxury of playing any games before a friendly home crowd. The first three games will probably be the toughest—Memphis State, Alabama, and Ole Miss. After those three, it has been said, "the young Eagles will either feel like throwing in the towel or beating the world." And if enthusiasm leads the way, it will be the latter.

The Spirit of Christmas was captured in the annual Xi Omega Song Fest. The songs ranged from the serene religious "Adoramus Te" to the peppy "Jingle Bells". Santa Claus even made an early visit before the holidays. Kappa Delta and Kappa Sigma took top honors. But it wasn't just the winning that mattered —it was the spirit that the Greeks shared with Hattiesburg, the campus, and with each other.

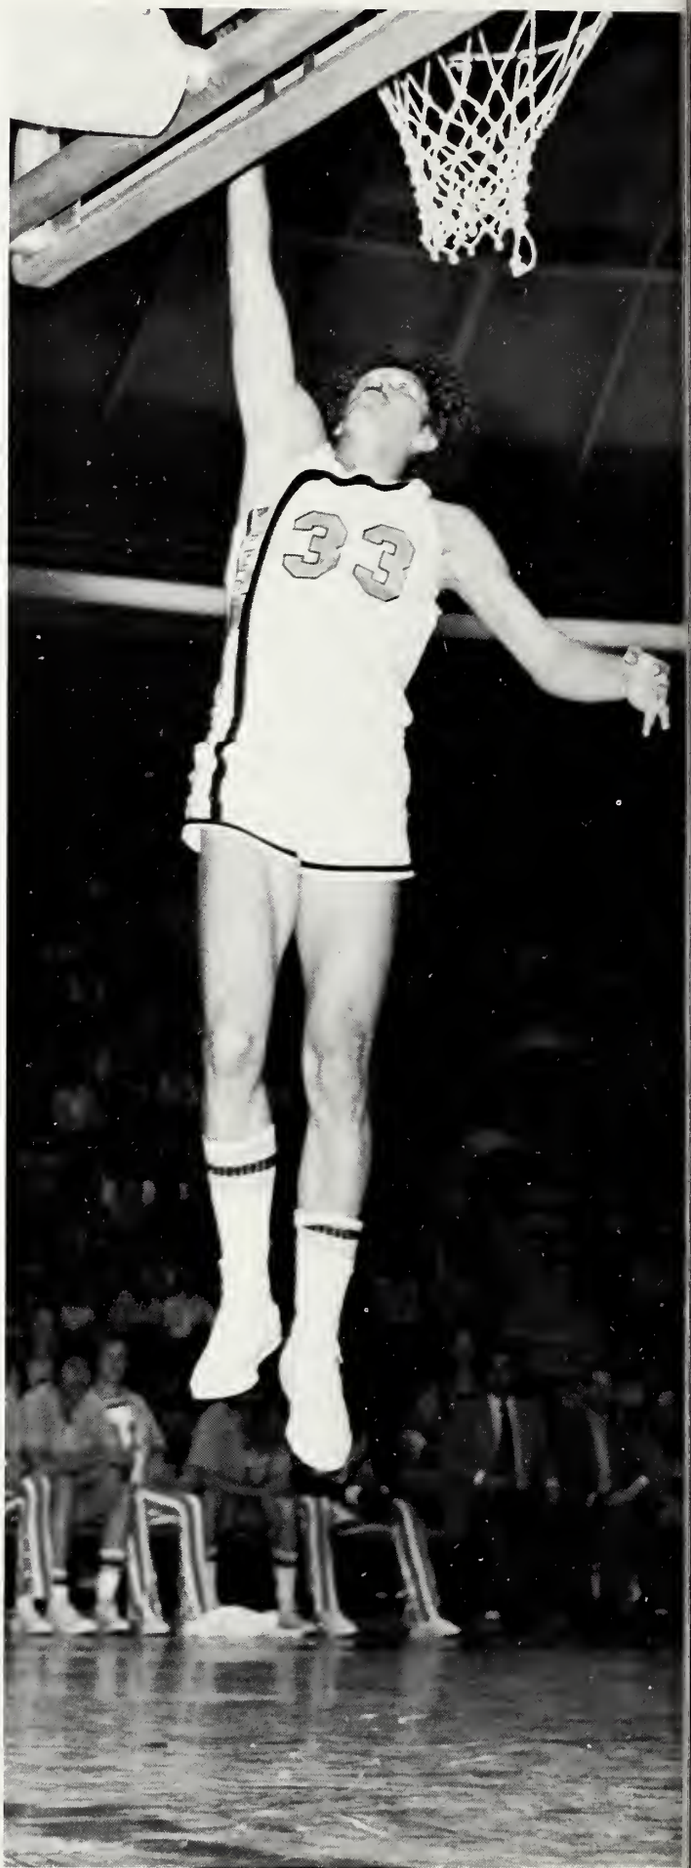

USM'S 11-15 CAGE MARK

BEST IN THREE YEARS

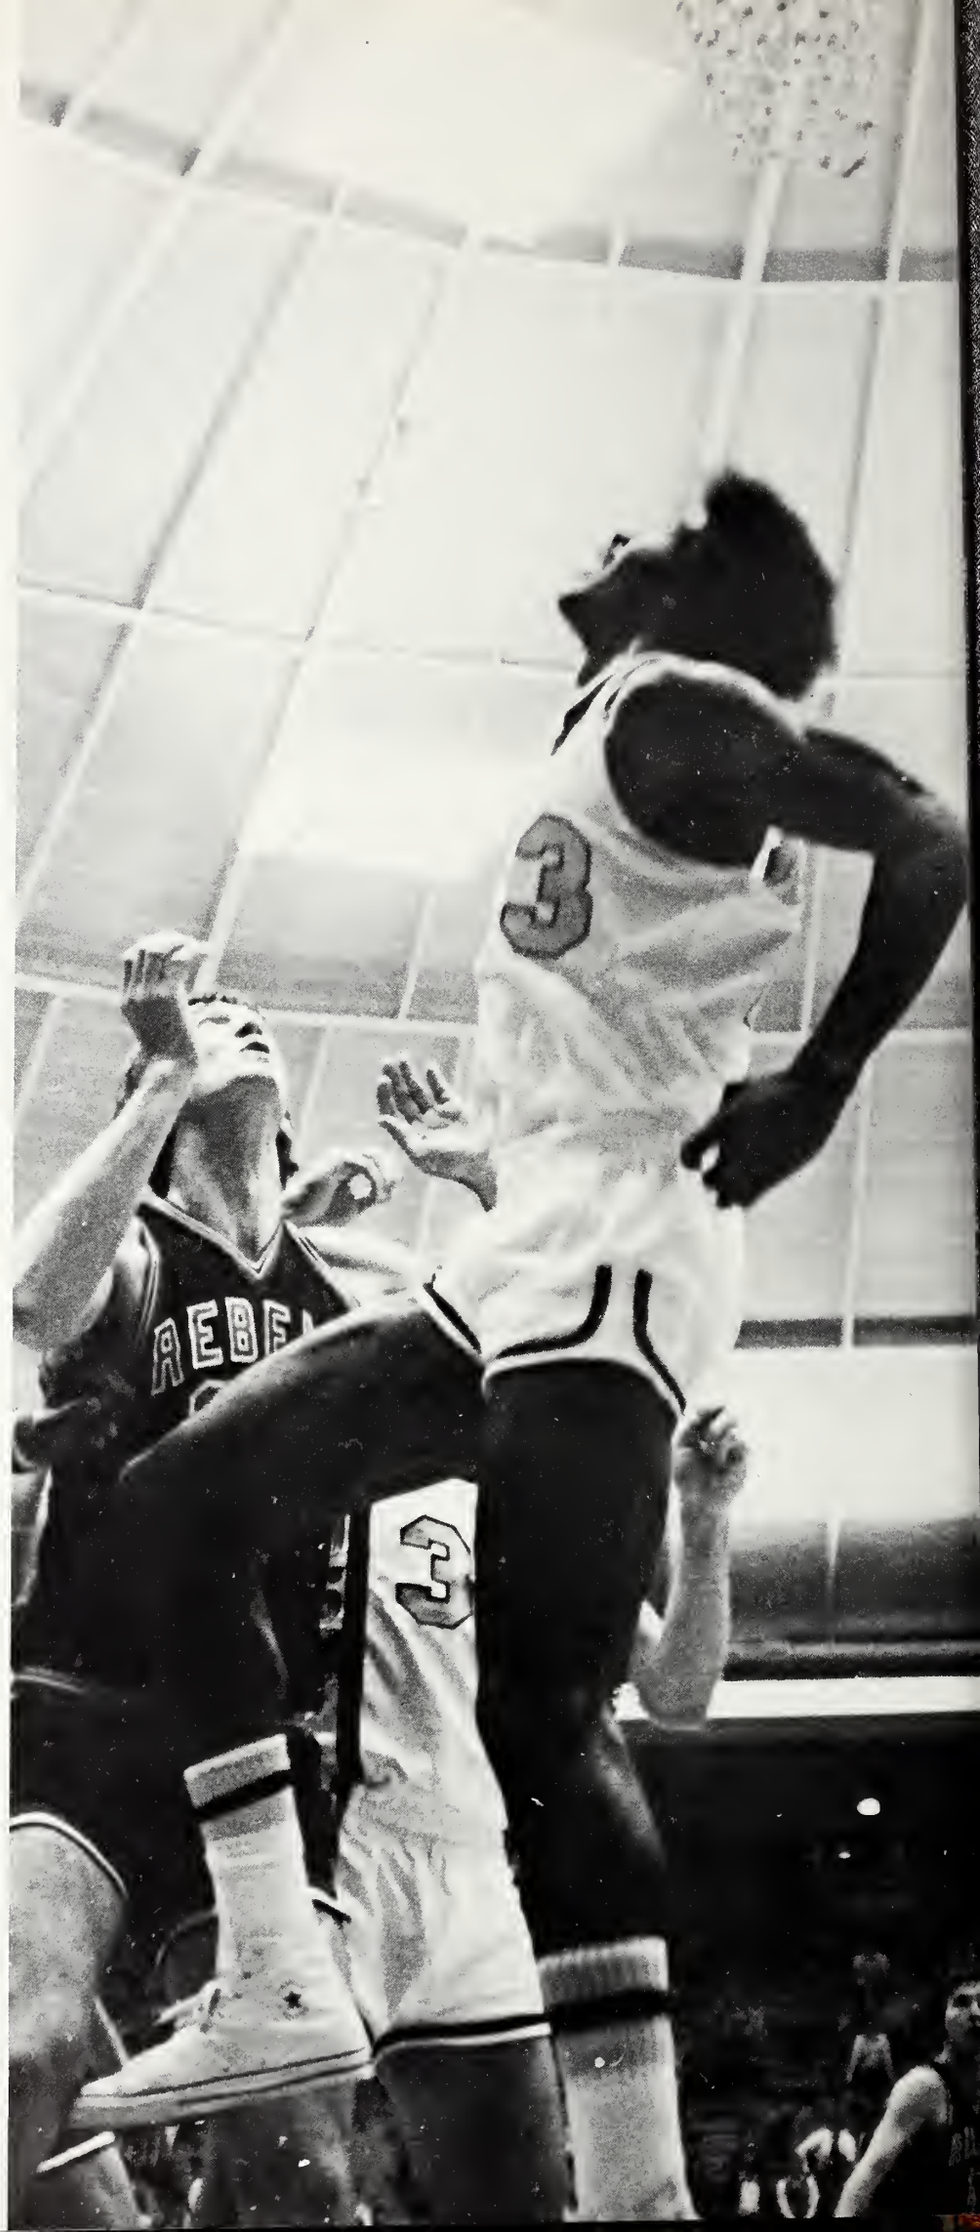

Basketball at USM is on the upswing. "We didn't quite reach the .500 mark we set out after," said Head Coach Jeep Clark, "but we were an improved basketball team and that's what counts."

Despite the losing record, there were definite signs of improvement. The eleven wins were the most in three years for USM and marked a 38% improvement over the '72-73 season. At one point, Southern reeled off five straight wins for their longest winning streak in five years. For the first time ever, the Eagles whipped two nationally-ranked teams in the same year—Austin Peay, Number 20, and the University of New Orleans, Number 10.

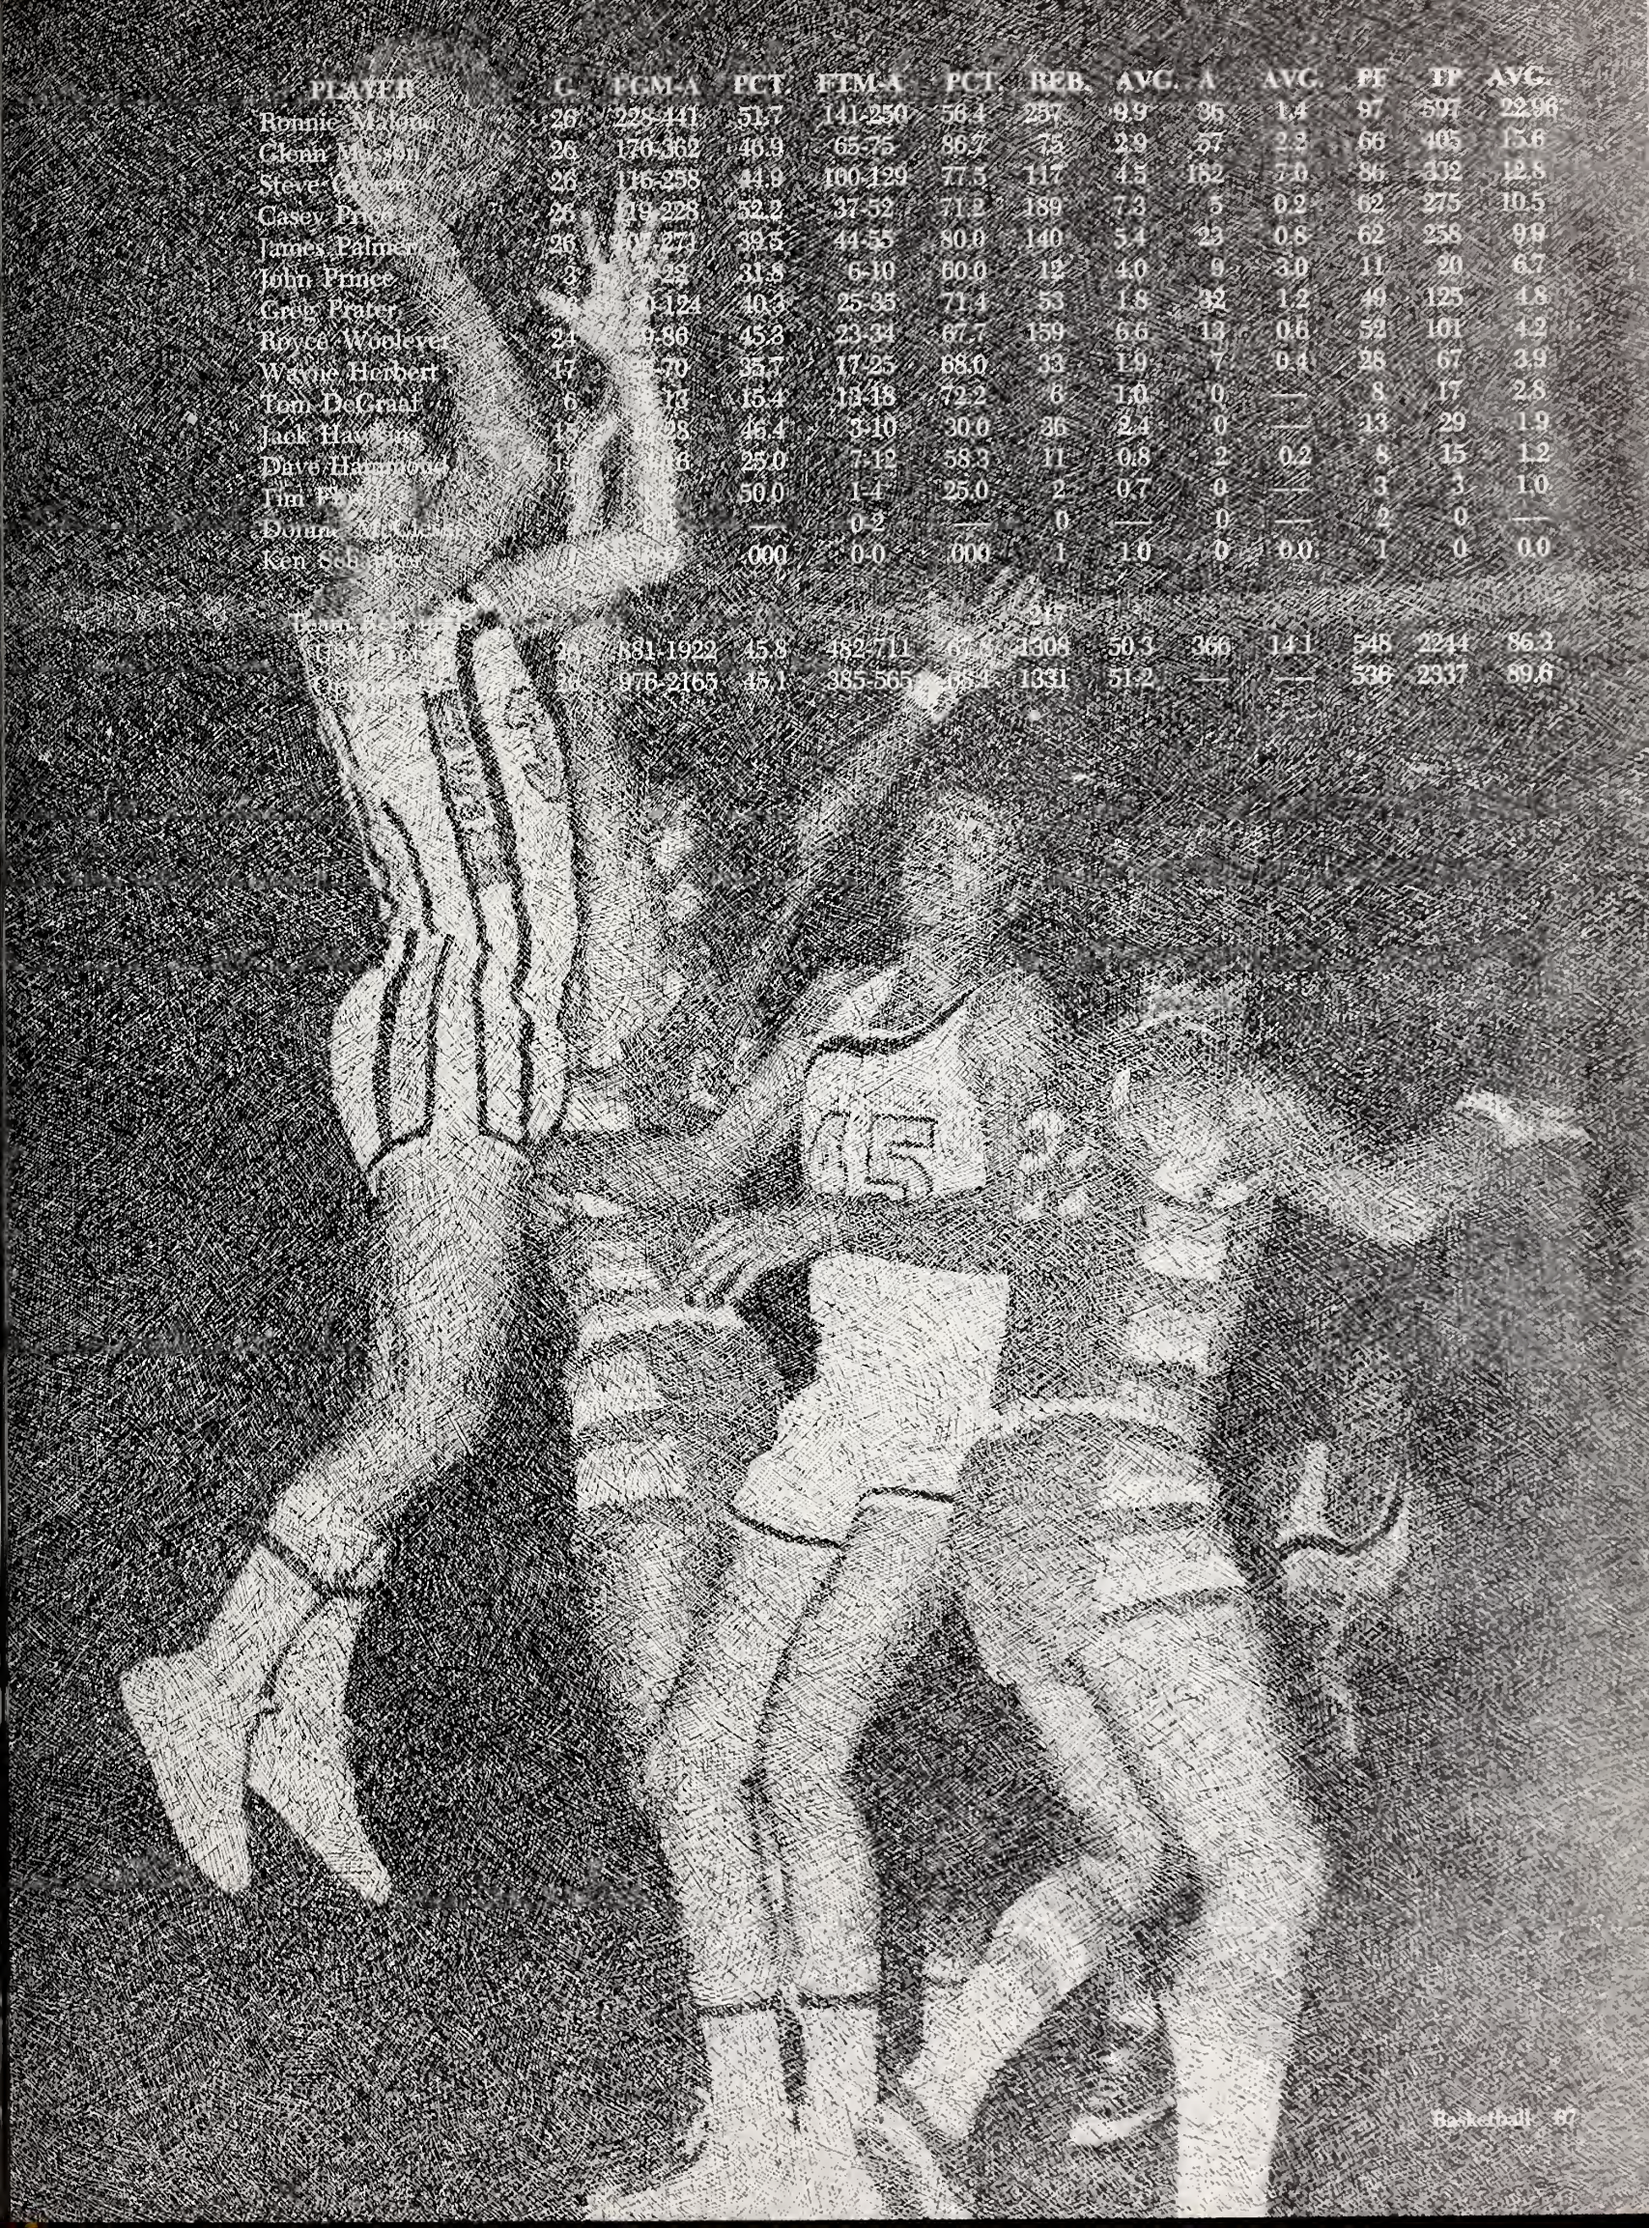

Even though the Eagles lose four lettermen, two juniors, four lettering sophomores, four freshmen, and two talented red shirts will be returning. The lettermen players for the 73-74 season were Malone (finishing 1 point shy of Tom Bishop's Number Three spot on the all-time single season point totals with 597), Greene, Masson, Price, Palmer, Prater (playing in all 26 games), Woolever (playing in 24 games), Herbert, Hawkins, and Hammond.

"Now all we have to do is recruit and we can be tough. we know what we've got to have; all we have to do is go out and get it," Coach Clark concluded.

It was Vienna, 1890, revisited in the Mississippi ETV studios in February when the Mississippi Center for Educational Television undertook its first production of an opera, Johann Strauss' "Die Fledermaus" (The Bat). The University Opera Theatre, directed by Robert Mesrobian, brought its production directly from its successful run on campus to the Jackson studios for the nine days of fast-paced blocking, rehearsing, and taping before the television cameras.

The story was about a man who attended a costume ball dressed as a bat, had too much champagne, fell asleep on a park bench, and woke up to find a jeering crowd around him the next morning. All of his humiliation could have been avoided if his friend Eisenstein had taken him home instead of leaving him in a public place. The embarrassed Dr. Falke decides to get his revenge and the "bat's revenge".

Casted by faculty members and students from the theatre, dance, and music department, the play was televised on ETV April 23 and 26.

Intramural athletics again to be a very popular activity on USM's campus as it rolled through a very successful program under the direction of Gary Hannan. Coach Hannan was one of those guys who was always there beyond the call of duty just in case someone needed him and to make sure things were going smoothly.

After winning all ten games on the pre-playoff slate, "Floyd's" Jokers whitewashed the Kappa Sig "B" team 23-0, allowed the Taxi Squad one field goal in a 7-3 win, and stunned the runners-up and previously undefeated Phi Kappa Taus 28-0 to claim the intramural grid crown. This marked the third year the Jokers went undefeated champions in the last three major intramural sports—football, softball, and basketball. Coach Perry Coggin attributed the success of the football victory to Tom Abernathy and Art Carwell's strong pass rush against the Phi Kappa Tau's offense. In addition to the awesome defense throughout the season, the corps of super athletes fielded a powerful offense with the passing combination of quarterback Gary Bourgeois to ex-Ole Miss player Floyd Franks.

In the women's flag football playoffs, Hillcrest rose over Tri Delta 6-0. Hillcrest had won the chance to try for the title by beating Tri Sigma, which had held a 6-1-2 record. Tri Delta had defeated Chi Omega 18-0 and Jones Hall 9-0 to compete for the title. Sigma Sigma Sigma defeated Jones Hall 13-2 in the contest for third place.

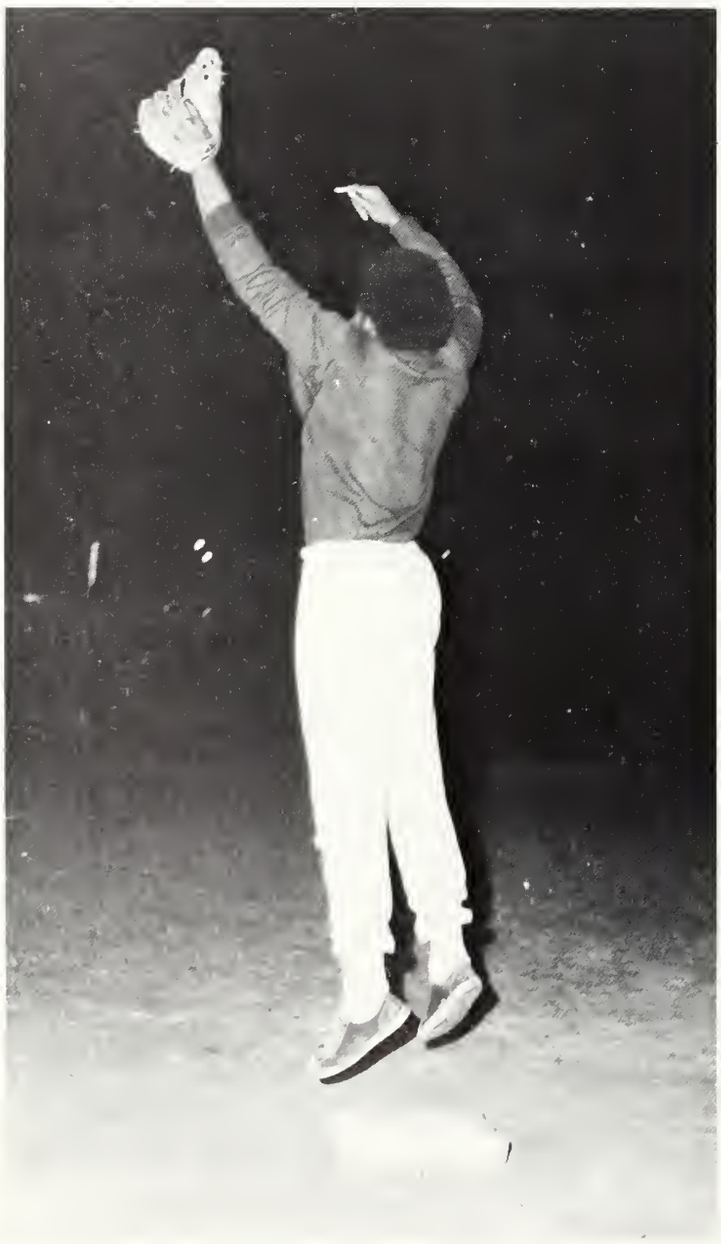

In the Punt, Pass, and Kick contest, Joker quarterbaek Gary Bourgeois kicked a 60 yard punt and 30 yard field goal and threw a 60 yard pass to place first in the PPK. Betty Beard passed 35 yards, punted 33 yards and kicked a field goal from the five to win the woman's division in the PPK.

Volleyball was the only other major fall quarter sport and Tri Sigma downed Alpha Sigma Alpha, Delta Zeta, and finally Delta Gamma to take the championship. In the co-ed volleyball league, the Health and P. E. Club knocked out the Nightstalkers in the preliminary match, then took on to defeat the Flashers, who had already put away the BSU team.

Winter quarter brought new activities to the intramural agenda. Hillcrest dominated the women's sports while the Jokers, Kappa Sigma, Phi Tau, and Larmac split up the honors in the field of sports. Spring brought softball season and again, who else but the Jokers proved to be the top team. Larmac managed to run fast and far to win the Track and Field meet. Along with the busted ankles, skinned-up knees, and sore muscles came a victory for the Independents in the women's softball division. And Tri Sigma kept up a battle for overall by winning Track and Field.

All in all it was a good year for Intramural activity. Chi Omega and the Jokers came out on top to claim the overall titles based on the point system. With the fierce and exciting competition which develops during the seasons, it's wondered if it might not be just how you play the game that counts, but also if you win or lose.

For only the second time in nine years, the Golden Eagles posted a winning record—sporting a 16-12 record. Early hopes for playing in the NCAA championship died as the season progressed. Even Wilson Plunkett's merciless hitting couldn't repolish the dream. The pitching staff which started out as a liability proved to be the strong point by the end of the season. Rick Roberson, Gary Krebs, Russel Clark, Doug Munn, and Rick Mauldin gave the support when it was needed most to the veterans Craig Stevens and Sammy Smith.

Wilson Plunkett emerged as a "Superstar" after the 73-74 season. The Eagle football fullback had earlier signed with the New Orleans Saints, but after the baseball season he decided he'd trade in his football uniform for that of the New York Yankee pinstripes. His final record-setting average placed him fourth in the country. His 13 homers, another record, averaged out to 0.46 per game, the best mark in the nation. He also batted in 37 runs, which ranked nationally. Plunkett, who was selected to the All-South Independent Baseball team, had his most powerful blast launched against North Park College of Chicago. The ball towered above the USM diamond fence, cleared East Stadium Drive, and with a single bounce smashed against the tennis court fence. The drive was estimated at 500 feet. Coach Pete Taylor called Plunkett "the greatest hitter in college baseball."

Two other outstanding Eagles were given recognition for their ball playing by being given honorable mention to the All-South Independent team—Rick Southerland and Daryl Lauderdale. Both were powerful hitters.

Nothing better than a winning season in baseball to end the sports year.

Desiderata

Go placidly amid the noise and haste. Remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly and listen to others, even the dull and ignorant: they too have their own story. Avoid loud and aggressive persons: they are vexations to the spirit. If you compare yourself to others you may become vain and bitter: for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans. Keep interested in your own career, however humble: it is a real posssession in the changing fortunes of time. Exercise caution in your business affairs: for the world is full of trickery. But let this not blind you to what virtue there is: many persons strive for higher ideals: and everywhere life is full of heroism. BE YOURSELF. Especially do not feign affection. Neither be cynical about love: for in the face of all aridity and disenchantment it is perennial as the grass. Take kindly the counsel of the years gracefully surrounding the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many faces are born of loneliness and fatigue. Beyond a wholesome discipline be gentle with yourself. You are a child of the universe no less than the trees and the stars: you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore, be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life, keep peace with your soul. With all its sham and drudgery, and broken dreams, it is still a beautiful world. Be careful. Strive to be Happy.

PEOPLE

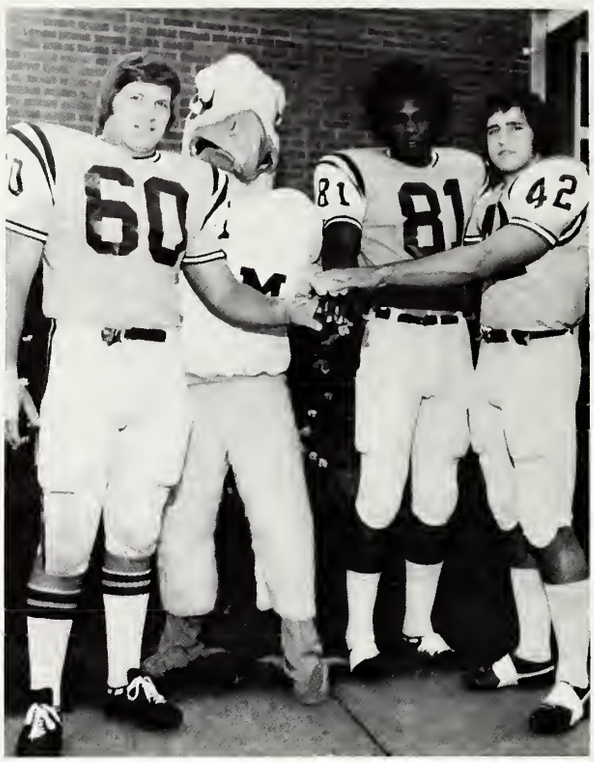

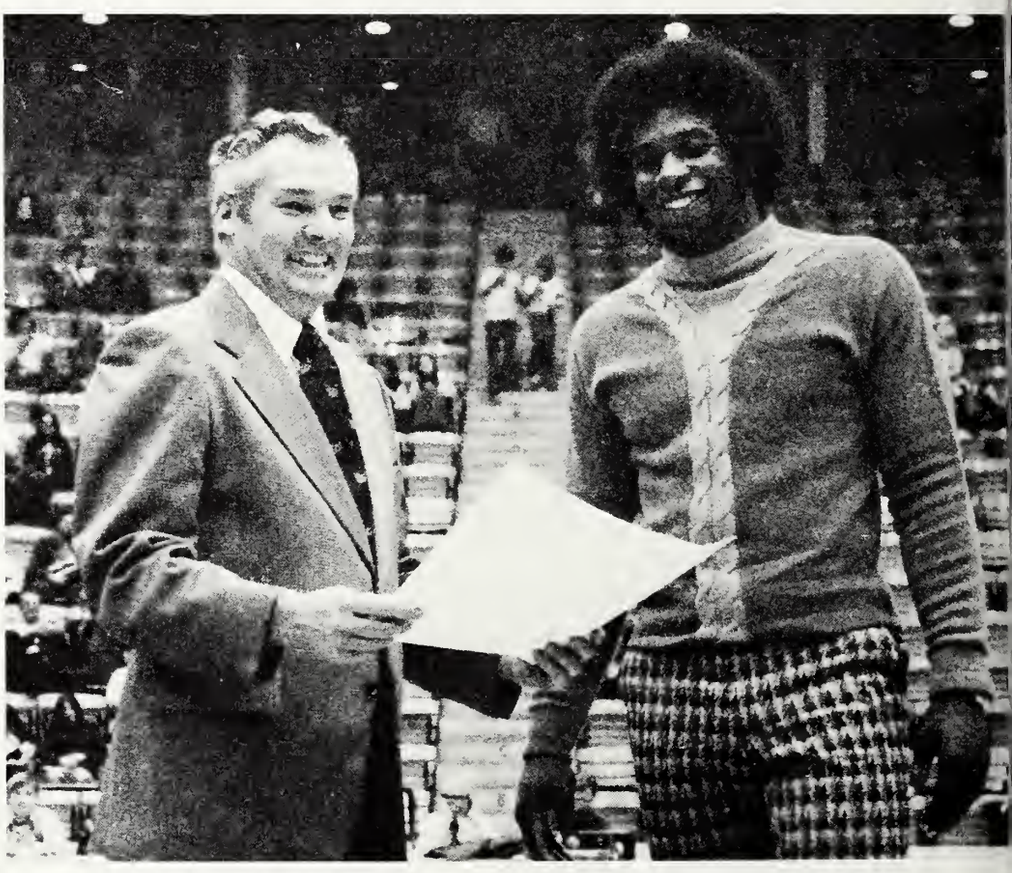

"Kill Fred Kill!"

That was the cry heard from the USM football stands as Number 81 assaulted, brutalized, wrecked, damaged, and destroyed opposing quarterbacks. Despite being nagged by a knee injury, Fred was named to the Associated Press' Third All-American squad at the defensive end post and the AP's All-Southeastern team for the '72 and '73 seasons.

Nicknamed "Bubba" by his teammates, the 6' 3", 240 pounds Cook has played in four All-Star classics. He was named "Outstanding Lineman" in the Blue-Gray contest as he dumped the northern quarterback four times, while making tackles all over the field and slapping down a couple of passes. During his three year varsity stint at USM, Fred was in on 257 tackles and credited with 56 quarterback sackings.

Fred has already signed with the Baltimore Colts as their second-round draft choice. A therapeutic recreation major, he was also captain of the 1973 team, Mr. USM, and selected to USM's Hall of Fame.

"Signs, Signs
Everywhere are signs"

"Making our minds up
And blowing our minds.
Do THIS. Do THAT.
Can't you read the signs?"

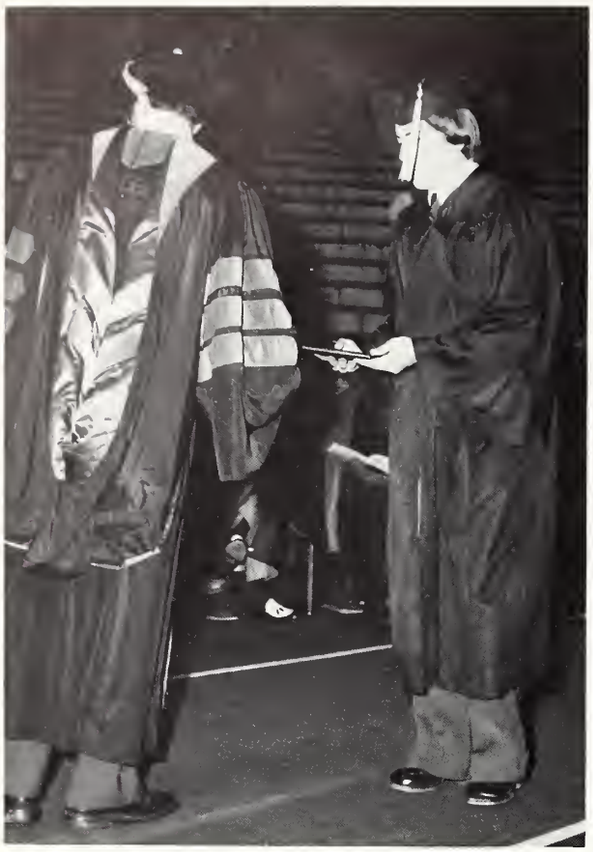

When I was a child, I spake as a child, I understood as a child, I thought as a child: but when I became a man, I put away childish things.

STREAKERS

STREAKIN' IN THE SPRINGTIME

Spring quarter came in with a blast as "streaking" became the current fad at USM, as well as across other college campuses in the nation. In front of Panhellenic dorm, just about closing time, seemed to be the best place and time for a performance, although running nude through the Boiler Room in downtown Hattiesburg seemed to be almost as popular. One night several hundred men and women alike crowded around the dorm causing heavy traffic jams on Highway 49 to see ten streakers model their birthday suits for over one hour.

But with the excitement came Security and after only a week of late night live entertainment, the fad seemed to fade. $500 fines and a possible jail term kind of put a "covering" over the spirit of the streakers.

If you missed the streakers, you probably missed one of the major events of the year. Unfortunately, our cameras missed them too.

STOP

The apparition of these faces in the crowd;
Petals on a wet, black bough.

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

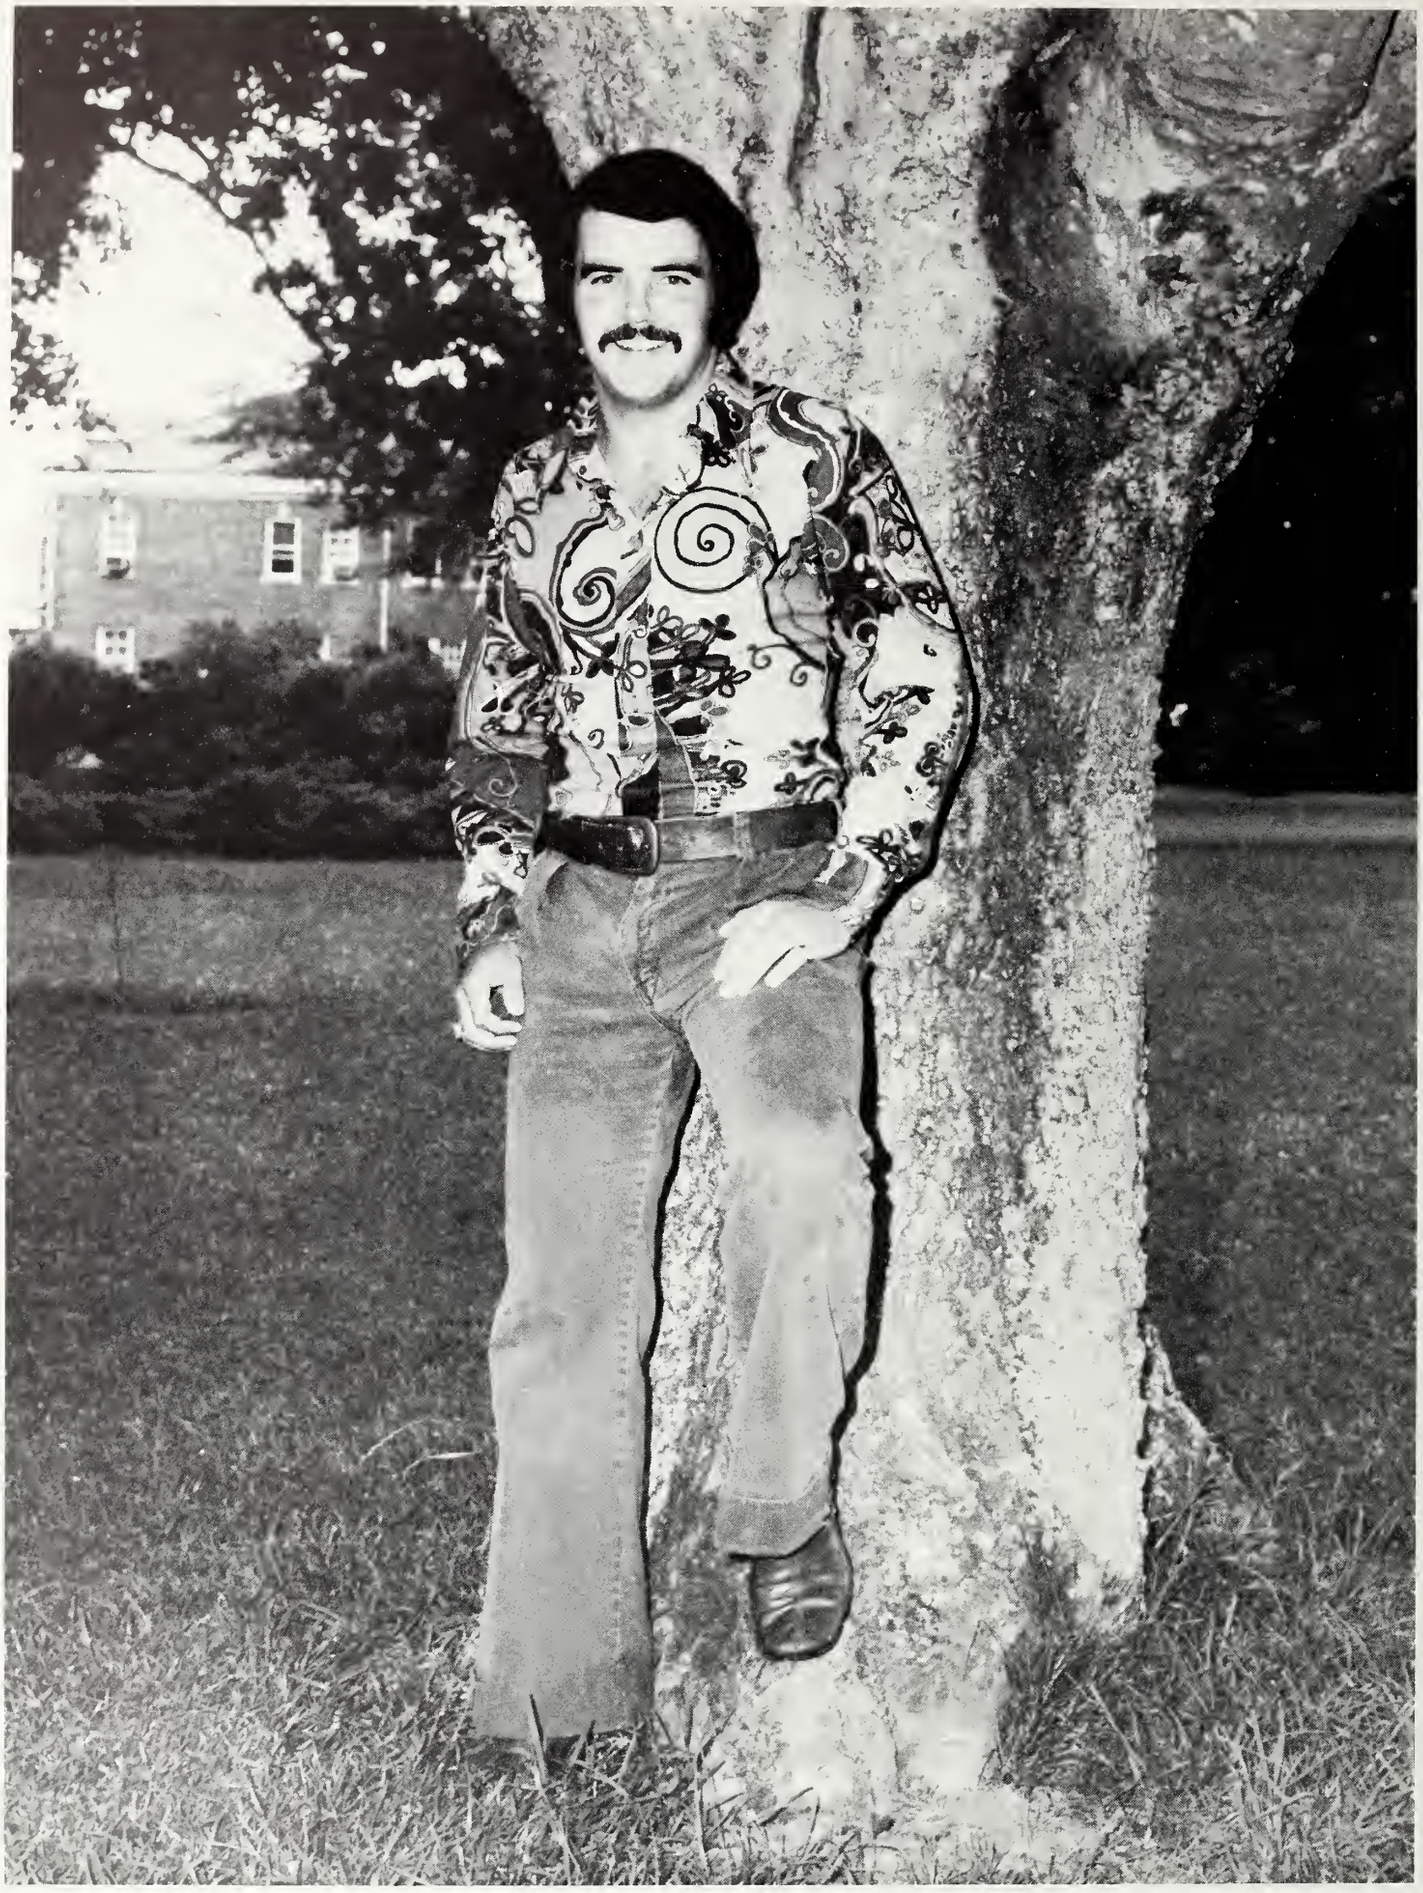

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I—
I took the one less traveled by,
And that has made all the difference.

WHO'S WHO AMONG STUDENTS IN AMERICAN COLLEGES AND UNIVERSITIES

USM is a place that provides an artery to many life experiences. It provides an environment whereby the total self may develop. We as products of this environment should reflect the strong impact of USM.

Alvin J. Williams

Becky Hinton

A child's heart knows nothing of hate and prejudice;—man will educate himself in those qualities.
—God, when will men see that world peace could be achieved through something as small and simple as a child's heart.

Al Torrence

"What you have to attempt—to be yourself. We are not permitted to choose the frame of our destiny. But what we put into it is ours. He who wills adventure will experience it—according to the measure of his courage. He who wills sacrifice will be sacrificed—according to the measure of his purity of heart."

Dag Hammarskjold

The learning portion of my life spent at Southern was given in grateful exchange for the basis of the rest of my life. My friendships and lasting memory make the future more brilliant.

The road to a useful and meaningful life is paved with knowledge and wisdom. Our time here at this University could be spent in trying to obtain enough of the paving ingredients to start us down the road. In Lincoln's words, "I will study and get ready, and perhaps my chance will come."

Marcia Randall

Uniqueness of intellect can only be attained through discipline and hard work. I challenge you fellow students to pay this price. The work day has just begun.

Progress: gradual betterment
Many students say Southern is not a progressive University. I say it is has been, it is, and it will be progressive only when we the students show the administration our concern and voice our opinions.

Denise Lewis

Students constantly complain about lack of freedom. We should be proud that we are offered a pathway to freedom through power—power created from the knowledge received here at Southern.

Joe Brashier

What's worse than saying you can't do something is to say that you didn't try.

Southern. A place of faces, people, friends . . . endless experiences . . . constant decisions. A place of learning—growing in self-knowledge as well as book-knowledge. A place of progress . . . a way of life.

Southern has been the fence around my world for the past four years. What I have perceived within its boundaries will serve me well when the gate opens to the big world beyond.

Marcia Munn

Southern's greatest asset is its people. Friendly--Personal--Down to earth. I hope this aspect of life at USM never changes.

Diddy Quinlan

Gary Eugene Phillips

Inasmuch as we are participants in this "career" university, we are specifically obligated to meet the challenge of our title with deeds—deeds which support that here at the career university we deal in reality and are not dreamers. We go forth to make change and not to resist or suppress it; for the ultimate in maintaining the status quo is rigor mortis.

STUDENT SENATE

With the opening of school and the election of new senators, USM had hopes of having a successful and useful Senate. Somehow, through the procedures of two impeachments, trials, resignations of Senators, and a fight to keep one's Senate position, the utility of the Senate went down the drain. There were some senators who tried to have legislation passed which would benefit all. By the time the bills got to the SGA President for approval, the purpose of the bills had been forgotten and the procedure turned into a big political battle for power. It seemed as if the Senate just couldn't get it together with the Executive Council.

The Coalition Party was a dominant factor in the workings of the Senate. Through all of the debating, quarreling, message-passing, and taking of ego-trips, the Senate did manage to pass a few legislative bills. A Public Defender to serve as counsel for students who have to appear before judicial and disciplinary committees was established. A bill passed to give the student body the right of initiative stated if 15% of the student body submits a petition requesting the consideration of a bill, amendment, or other measure, a special election should be held. During winter quarter bills to establish an apartment directory, an office of management and budget, an SGA Reference Library, a Labor Relations Board, and an act establishing a Bill of Students Rights were passed.

Throughout the year resolutions were passed opposing the veto of library funds by Governor Waller, calling for the placement of left-handed desks in classrooms, commending Vicky Foster as AWS President, commending the streakers, and even one commending the 1973 Southerner staff (which was a total surprise).

During spring quarter the Senate overstepped its boundaries and passed a bill calling for the placement of a tombstone in the shadow of the Administration Building in memory of the instructors who have been fired from the University. It also passed a bill requesting the removal of Warren Dunn as the SGA advisor.

The entire Student Government Association was put under investigation by a committee designed to study its problems and make changes in the system for the betterment of the University. This was brought about when the Senate brought forth charges of impeachment against SGA President Dick Cowart for violating the separation of powers. The Senate impeached Cowart but Dr. McCain reinstated him until the matter could be investigated more thoroughly. The case was turned over to the Disciplinary Committee which granted Cowart a new trial to be held in the fall, 1974. During the investigation, Dr. McCain brought up the fact that he had received no copies of legislation from the Senate for his approval in the past two years.

With such happenings as those occurring spring quarter in the Senate and the SGA, is it any wonder that the Student Government Association may become non-existent. Where then would the representation of the student body occur?

PRESIDENT'S ADVISORY BOARD

From left to right, First Row: Barbara Ross, Assistant Dean of Students; Anne Jordan, Assistant Dean of Students; Debbie Graham, Election Commissioner; Dr. William McCain, President of the University; Dr. Charles Moorman, Dean of the University. *Second Row:* Roderick Posey, SGA Treasurer; Denise Lewis, SGA Secretary; Joe Ledford, *Student Printz* News Editor; Brenda Boykin, *Student Printz* Editor; Dr. Peter Durkee, Dean of Students; Amy Nix, *Southerner* Editor. *Third Row:* Andrew Green, Director of Academic Affairs; Ron Manthey, Public Defender; Dick Cowart, SGA President; C. O. Smalling, Financial Secretary; Berengher Brechtel, Assistant Dean of Students; Warren Dunn, Director of Student Activities. *Fourth Row:* Dr. Bill Shafer, Director of Student Counseling; Gerald Maples, Attorney General; Melvin Hawkins, SGA Chief Justice; Gee Ogletree, SGA Vice-President; William E. Kirkpatrick, Director of Public Information; Radar Grantham, Associate Dean of Student Affairs.

The President's Advisory Board is composed of students and administrative officials who meet as a joint group once a month to discuss university problems and forthcoming events, to bridge the gap between the two groups, and maybe even share a few jokes over lunch. The SGA Executive officials, the editors of the Student Printz and the Southerner, and the presidents of IFC and Panhellenic serve as regular members with other students from various organizations or high positions in student government coming as guests.

UNIVERSITY ACTIVITIES COUNCIL

Top Row: Randy Parks (Chairman), Marlowe Robinson (Advisor), Frank Waltman, Phil Wilson, Bobby Beavers, Don Cook, Rice Ray, Pam Andrews, Debbie Rutland, Melinda Phillips, Cathy Shaw, Bob Cerce, Gary Williams, Alan Saucier, Don Westbrook. *Bottom Row:* Robin Roderick, Janet Boyle, Renae Jensen, Nancy Herran, Mollie Magee, Diddy Quinlan, Dinnie Kelly.

The University Activities Council is the main source of programming on campus during the entire year. The UAC is a part of the educatiónal and social program of the University and operates under the direction of the Student Activities office located in the Union Building. Without the University Union, Director of Student Activities, and the Assistant Director of Student Activities, the UAC could not function in any way. The UAC Council is composed of a Chairman of Productions, Chairman of Musical Affairs, Chairman of Non-Musical Affairs, and Secretary. The purpose of this committee is to plan, promote, and carry out activities for the student body and faculty of the University of Southern Mississippi.

Musical Chairman handles aspects of the selection and putting on of musical performances on campus. Some of the groups that have performed in concert in the Coliseum are: Z Z Top, Bloodrock, Sly and the Family Stone, Mother's Finest, Madura, and Chicago. Bill Monroe and The Bluegrass Boys along with The Country Gentlemen gave a concert on the steps of the Student Services Building during Spring Fever week.

The Non-Musical Chairman and his committee have the job of carrying out functions such as films and lectures as well as planning any special events that occur on campus. These events include the annual Mardi Gras Ball, Halloween Carnival (of which the proceeds of this event go to the United Givers Fund), Homecoming Dance, and Spring Fever Week. This year's attractions included The Dean Scott Show (a nostalgic rock show), the comedy team of Edmonds and Curley, Walter Zaney Blaney (a magician), and the Death Riders Motorcycle Thrill Show. Other events during the fun-filled week included a picnic in the Student Services Courtyard, a Putt-Putt Golf tournament, and a pancake-eating contest.

More services which the UAC offers are weekly coffee house programs in Exit 13 on Wednesday nights. Movies are shown every Friday night for the students to enjoy. This year a very interesting film "Who Killed J. F. K.?" was presented with a lecture on the assassination if the late John F. Kennedy.

WMSU

Students are now turning the knobs on their radios—listening for a familiar voice saying, "WMSU—The voice of the campus of the University of Southern Mississippi." Getting into full operation during 1973-74, for its twentieth year, the WMSU AM-FM stations transmitted news, students' views of campus happenings, and the latest "hits" as well as those "oldies but goodies" and those we never hear but once. The station has one major newscast each day. WMSU-FM is a ten-watt educational station, operating on a frequency of 91.1 megahertz. With transmitting facilities on top of the Science Building, the station sends its signals out eight mles to the city of Hattiesburg. WMSU-AM is operated solely by students. Paid student manager, program director, news director, and traffic manager handle the entire operation. A graduate assistant acts as an advisor. The staff and personnel are selected from among the best of the broadcast majors. Both stations have full-time news staffs, sportscasters, public affairs directors, and disc jockeys. And while learning the essentials of broadcasting, the students have a little fun too!

SOUTHERN CHRISTIAN STUDENT CENTER

The Southern Christian Student Center has as its purpose a ministry of service and outreach to all students of the University. The Koinonia Club serves as the campus organ for the pursuit of these objectives while recognizing the necessity of individual growth in wisdom and stature and in favor with God and man.

The center is supported by Churches of Christ and interested individuals across the South.

THE NEWMAN FEDERATION

The Newman Federation is an organization of Catholic students on secular campuses throughout the nation. Its goal is to promote a sense of community programs such as retreats, discussion, socials, and civic activities. Daily Mass is offered at Danforth Chapel with Sunday Mass at the St. Thomas Aquainas Newman Center on West Fourth Street. The Newman Center is open daily to students with a stereo, color television, kitchen facilities, and a study room available for relaxation.

PI TAU CHI

Pi Tau Chi is an honorary religious society open not only to students but faculty and staff as well. It is a Christian honor society in moral and spiritual values. It exists solely to give recognition to the men and women who stand for something. Delta Alpha Chapter at USM was voted the most outstanding chapter in the nation last year. A national organization, Pi Tau Chi is strongest in the southeastern United States with its founding at the University of Alabama in 1933. Because the society exists only to give recognition, it is occupied with no projects or activities and meets only to select new members. Delta Alpha Chapter was installed on USM's campus in 1957. Since then over 600 have been initiated into the chapter.

BUSINESS STUDENT ADVISORY COUNCIL

From left to right: Dr. Joseph A. Greene, Cindy Reynolds, Joe Morgan, Judy Ladner, Roderick Posey, Ted Moore, Ronnie Walker, Mike Witherspoon.

The Business Student Advisory Council functions as an effective organization to advise the Dean of the School of Business Administration and to coordinate the activities of the various business fraternities and the business students in general. It publishes annually the Student's Guide to the Business Fraternities to promote interest in one or more of the fraternities. It also assists the School of Business Administration by sponsoring the Honors Day Banquet each spring.

The Council is an organization for business students, appointed by the faculty of each department in the School and composed of the President of each of the business fraternities, to serve as student representatives in all matters of concern to the student and the business fraternities in the School of Business Administration.

THE PRIDE OF SOUTHERN MISSISSIPPI

There will never be enough space or words to relate the importance of "The Pride" to the University of Southern Mississippi. Made up of students in all areas of study, the Pride boasts of members who come as far away as California or Virginia or as close as downtown Hattiesburg to play in this nationally known band. This year, the Pride was again chosen to play the pre-game and half-time shows in the Senior Bowl in Mobile, Alabama.

It's the Pride who puts the pep into the pep rallies! It's the Pride who puts the spirit into the football games! It's the Pride who always wins the half-time game, regardless of the score on the board! It's dedicated musicians who practice for hours every day during the football season—marching up and down Pride field whether it be rain or shine!

Members of the Pride—We salute you!!!

SCABBARD AND BLADE

A national military society for men, Scabbard and Blade sets forth as its purpose to raise the standard of military training in American colleges and universities, to unite in closer relationship their military departments, to encourage and foster the development of the essential qualities of good and efficient officers, and to promote intimacy and good fellowship among the cadet officers. Qualifications for membership are based on scholarship alone, but also on those qualities of leadership, initiative, and character which cannot be expressed by a decimal point.

PRESIDENT OF THE UNIVERSITY

Dr. William D. McCain

In January, 1974, President William D. McCain officially announced his retirement effective June 30, 1975, after which he will serve as president emeritus for one year. Dr. McCain has been president of the University since 1955 and has "taken a relatively small college and built a university."

In an interview on the anniversary of his fifteenth year as president, Dr. McCain stated, "If I had to single out only one accomplishment in which I take pride, it would be the advancement of our academic program." That statement still stands.

In his nineteenth year as executive head of the institution, Dr. McCain maintains the "the primary purpose of the University of Southern Mississippi is to prepare students for careers and to provide an environment in which they can become knowledgeable citizens who are well trained for their chosen professions."

Dr. McCain was highly instrumental in bringing the small Teacher's College to university status. Two years after Dr. McCain became president, the Board of Trustees of State Institutions of Higher Learning accepted his proposals to reorganize the school. The name was changed in February, 1962, by the State Legislature to the University of Southern Mississippi.

Dr. McCain has set his objectives for his last year as president as classroom expansion for the speech and hearing sciences and communication, salary increases for faculty and staff, and the completion of the nursing school building and the new Union. After retiring Dr. McCain plans to do some writing and traveling and "take it easy." And after fifteen years of running a university of progress and expansion, he very well deserves it.

In a far cornered room on the third floor of the Student Union exists the office of the SOUTHERNER, in which the process of creating a yearbook goes on for over fifteen months. However, it seems that about the only time the students know it exists is when the book is being distributed or if they are unhappy about their $6.50 worth of book.

Just what is an annual for anyway? Some people look through them once or twice to find his or her picture (if he bothered to have it made). And then there are the people who complain about having to pay $6.50 when it could very well cost him $10 or $12.00. Some books find their way to dusty bookshelves, while others become conversation pieces on tables or doorprops. And still there are other people who never bother to pick up their annual or make arrangements to have it mailed to them.

But the appreciated yearbooks are those which are taken out often and the pages are turned slowly as pictures recall those days "we thought would never end." And that makes the whole process of making a yearbook worthwhile.

It was the purpose of this editor and staff to capture those moments of the year 1973-74 and put them together in a yearbook—not one which was seeking to win an award but one to please you, the students. The book is divided into two main parts—EVENTS, to reflect the happenings of the year, and PEOPLE, to capture the people who make up the University of Southern Mississippi.

As you flip through the pages, I hope you can feel the spirit that reigned at USM this year and maybe even discover a candid shot of yourself somewhere along the way.

Robert Phillips, Vaughn Wilson, and Tony McMullen of USM Photo Service were responsible for all other pictures in this book.

A special thanks from the 1974 SOUTHERNER staff goes to Mr. W. A. Benson, Jr., Mrs. Evelyn Watson, Mr. Harry O'Donnell, and the folks at Benson Printing Company.

Helping Heads, Hands, and Feet were: Mr. Warren Dunn (advisor——to whom goes an extra big thanks), Janet Melelland (who answered all my phone calls and took the message when it seemed I never was in the offiee), Gaylen Howell, Kay Chisholm, Robert Phillips, Vaughn Wilson, Tony MeMullan, Peggy Meadows, Pat Brooks, Melanie Jaeobs, Barbara Ross, Berengher Breehtel, Betty Steadman, Marlowe Robinson, Molly McGee, Lyn Smith, Jamie LeNoir, Elizabeth LeNoir, Judy Jordan, Janet Boyle, Kathleen Moore, Cecilia Byrd, (and the Sigma Sigma Sigma and Chi Omega sororities for helping in the distribution of the 1973 *Southerner*), Randy Parke, Bill Cerce, Joe Paul, Captain Beaeher Lewis, Bill Carlin Novelle Price, Kathy Smith (who put up with and wandered through all the pictures and layouts during Spring quarter), and the members of the University Activities Council who helped in the distribution of the 1973 *Southerner*.

The book was printed and bound by Benson Printing Company, Inc., Nashville, Tennessee. The text is printed on Warren's Dull Enamel. The flyers are 80 pound Strathmore Grandee. The cover is a designed four-color process of an eagle's wing on white mission grain material. There are 31 color pages.
